Monday Night Combat

Posted By [trurav3n](#)

[Add a Comment \(0\)](#)

The loading screen for Monday Night Combat consists of a smiling strip of bacon that's high fiving a cheerful shotgun shell. Where their hands meet, there is a lens flare, signifying their union as one of natural power. If this alone doesn't describe how awesome Monday Night Combat is, I'm not really s...[\[Read More\]](#)

Now that most of you played the multiplayer beta for Halo Reach, what are your thoughts on it?

New Host and Script Update

Posted By [trurav3n](#)

[Add a Comment \(2\)](#)

As you all know, we have a huge issue with our servers blocking IPs. This was due to the high traffic block our original hosting company had. This couldn't happen at a worse time. Me and my family bought a house and have been remodeling for about a month now. I have had very limited time to work on the site if any at all. So I apologize for all the issues our staff and members were having acc...[\[Read More\]](#)

Ladders

Posted By [big reese](#)

[Add a Comment \(2\)](#)

Hey 360 Gamers,
This is just to inform you about the status of ladders closed and running. Team ladders are subject to be turned off for season tournaments and also maintenance. Singles and Doubles ladders will always remain open so that records can keep building. Currently the GRAW ladder is going into a new tournament style type of season that will be revealed in the forums in a matter ...[\[Read More\]](#)
